

AMENDED IN SENATE APRIL 24, 2001

SENATE BILL

No. 396

Introduced by Senator Kuehl

February 21, 2001

An act to add Section 2873.4 to, and to repeal Section 2873.6 of, the Business and Professions Code, *to amend Sections 20392 and 20405 of the Government Code*, and to add Section 5002.5 to, and to repeal Section 5007.5 of, the Penal Code, relating to corrections.

LEGISLATIVE COUNSEL'S DIGEST

SB 396, as amended, Kuehl. Corrections: medical services.

(1) Existing law requires the issuance of restricted vocational nurse's licenses to specified persons who were employed as medical technical assistants or as senior medical technical assistants by the Department of Corrections or the Department of the Youth Authority, and who served in the medical corps of any of the armed services or who served in the United States Public Health Service. Existing law also provides that the licenses authorize the holders thereof to practice vocational nursing only within a facility of the Department of Corrections or the Department of the Youth Authority and that they are valid only for the period of employment with a specified exception for those persons who were employed at the psychiatric unit of the California Medical Facility.

This bill would repeal this provision operative January 1, 2003.

(2) Existing law provides for the licensing and regulation of various occupations and professions, each administered by a board, as defined, including the Board of Registered Nursing and the Board of Vocational Nurse and Psychiatric Technician Examiners of the State of California.

This bill would, commencing January 1, 2003, provide that no peace officer employee of the Department of Corrections or the Department of the Youth Authority shall provide the services of either a licensed vocational nurse or a registered nurse. The bill additionally would establish specified employment procedures for these departments regarding peace officers, medical technicians, and nurses as well as guidelines for the decisionmaking authority of a vocational nurse with respect to the care and treatment of inmates.

The bill also would make conforming changes with respect to the reclassification of medical technical assistants and senior medical technical assistants to licensed vocational nurses for purposes of retirement benefits.

(3) Under existing law, the Department of Corrections is vested with powers and duties necessary for operating the California prison system.

This bill would require the department to ensure by January 1, 2005, that all of its medical facilities are accredited by the National Commission on Correctional Health Care, an organization specializing in accrediting health care facilities in correctional settings. The bill would require the department to provide the Legislature with an annual report, as specified.

(4) Existing law authorizes the Director of Corrections to charge a \$5 fee for each inmate-initiated medical visit of an inmate, and requires that the moneys received be expended to reimburse the department for direct provision of inmate health care services.

This bill would repeal this provision.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 2873.4 is added to the Business and
2 Professions Code, to read:
3 2873.4. (a) On and after January 1, 2003, no employee of the
4 Department of Corrections or the Department of the Youth
5 Authority who is a peace officer shall provide the services of either
6 a licensed vocational nurse or a registered nurse. Prior to that same
7 date all medical technical assistants employed by the Department
8 of Corrections or the Department of the Youth Authority shall elect
9 employment as a peace officer or a vocational or registered nurse
10 consistent with their respective license. The Department of

Corrections and the Department of the Youth Authority shall not terminate employment of a medical technical assistant who no longer provides the services of a licensed vocational nurse or a registered nurse.

(b) The Department of Corrections or the Department of the Youth Authority may employ persons licensed as vocational nurses or registered nurses. These persons shall only provide health services within the scope of their license.

(c) On and after January 1, 2003, the Department of Corrections and the Department of the Youth Authority shall no longer maintain the job classification of medical technical assistant. These departments may establish the position of licensed vocational nurse and continue to employ individuals with the job classification of registered nurse.

(d) Licensed vocational nurses shall not make any decision concerning access to care and the kind of care or treatment an inmate should receive. Neither shall a licensed vocational nurse make any decision as to whether an inmate should be examined by a clinician, unless that decision is necessary to provide emergency care and is within the scope of the nurse's license. Licensed vocational nurses may collect subjective and objective patient data and convey that information to either a registered nurse or medical staff member of a higher professional status than a registered nurse, including a physician who may then make appropriate treatment decisions based on that information.

SEC. 2. Section 2873.6 of the Business and Professions Code is repealed.

28 (b) In addition, “state safety member” shall also include
29 officers and employees of the Department of Corrections, the
30 Department of the Youth Authority, or the Prison Industry
31 Authority in any classification of Vocational Instructor, Industrial
32 Supervisor, Industrial Superintendent, Assistant Industrial
33 Superintendent, or Production Manager II (Prison Industries) that
34 is established on or after January 1, 1984, if the Department of
35 Personnel Administration and the State Personnel Board approve
36 the inclusion of the classification.

37 (c) “State safety member” shall also include officers and
38 employees in parenthetical specialty classes when the core class
39 has already been expressly included in the state safety membership
40 category if the Department of Personnel Administration and the

1 State Personnel Board approve the inclusion of the classifications.
2 The inclusion shall not be effective until notice of the inclusion has
3 been received by the board.

4 (d) *“State safety member” shall not include any member*
5 *employed as a Medical Technical Assistant or a Senior Medical*
6 *Technical Assistant and classified as a state peace*
